An Inspector Only license requires completion of Level 1 and Level 2 training. For the Inspector License (Test Only Technician) the cost is \$1800.00 – This is Level 1 and Level 2.

Experienced Technicians that have current ASE A6/A8/L1 certifications the Level 2 training is required to qualify for the State exams for both Repair and Inspector licenses (Cost \$550). If a technician has at least 2 years of experience in engine performance repair, at a licensed general repair shop (BAR may require verification), then they can take the D&R series course and the Level 2 Inspector training to qualify for both the Inspector and Repair licenses (Cost \$1750).

Tuition includes all instruction, books, materials, and tools, and assumes all tests will be passed the first taking. One retest is available at no cost. **No other fees or charges apply.** Prices are based upon a minimum enrollment of 6 students per class. Payment of a minimum of \$100.00 is required at the beginning of the first class. Full payment is required by the last day of class or the final test.

Tuition Refund upon Cancellation Prior to the First Day of Instruction:

Auto Service Systems, for all students, without penalty or obligation, shall be refunded 100% of the amount paid for instructional charges, less \$100.00 deposit or application fee if notice of cancellation is made prior to or on the first day of instruction.
